Northern Quality

[Play Button](#)

Synopsis:

Northern Quality tells the story of three generations of farmers. Each of them experience different kind of problems, but all of them are linked to some kind of structural change. They seek a solution to their problems by cultivating a more productive crop in their fields: cannabis. This experiment leads to significant problems with international criminals, municipal officials and even the local police officer.

Release Date : 2022-03-18 (0min)
