Football Outsiders' writer Bryan Knowles had this to say about Chubb's 2021 season. "We know that Bradley Chubb missed about half the year on injured reserve, so we should expect his numbers to be about the same as last year. Taking place almost entirely in Europe, Season 3 of Atlanta finds "Earn" (Donald Glover), "Alfred 'Paper Boi' Miles" (Brian Tyree Henry), "Darius" (LaKeith Stanfield) and "Van" (Zazie Beetz) in the midst of a successful European tour, as the group navigates their new surroundings as outsiders, and struggle to adjust to the newfound success they had aspired to. With Nanny, Nikyatu Jusu presents a more haunting depiction of the American Dream. Her feature debut nods to Ousmane Sembène's seminal Black Girl while distilling the trials her parents, immigrants from Sierra Leone, endured as Jusu grew up in Atlanta—a mix of domestic drama and frightening images to make us fellow outsiders in a suffocatingly insular world.
