When an agoraphobic tech worker uncovers evidence of a horrific crime while monitoring a data stream during the COVID-19 epidemic in Seattle, she is greeted with opposition and bureaucracy when she attempts to report it to her firm. Kimi Raikonen had a solid start to his weekend in Baku with the Alfa Romeo man being the 11th quickest driver on the track. However, it was not like the 'Iceman' didn't have his fair share of problems on Friday. The Finn was heard complaining on the radio about his car's battery being completely drained out before the lap was even over. US Customs Records Notifications available for Carwatch N.v..
